

SAI KRISHA k

Bangalore, India

saikrishna05@gmail.com — 8197067779 — LinkedIn — GitHub

Career Objective

Environmental Science and Data Analysis student with hands-on experience in data visualization, environmental compliance, and sustainability-focused projects. Seeking an entry-level role or internship where data-driven insights can support environmental planning, safety, and decision-making.

Technical Skills

- **Programming:** Python, Java, R (Basics)
- **Data & Analytics:** SQL, Data Analysis, Tableau
- **Web & Cloud:** HTML, Cloud Computing Fundamentals
- **Tools:** Microsoft Office Suite

Projects

Bhoomi Chatbot – Farming Assistant (GenAI Project)

- Developed an AI-based farming assistant chatbot using **RAG (Retrieval-Augmented Generation)** architecture.
- Integrated external knowledge sources with **LLM methods** for accurate agricultural guidance.
- Designed to support farmers with crop and environmental recommendations.

Smart City Dashboard (Cloud Computing Project)

- Developed a Smart City dashboard using **HTML frontend** to display urban data and analytics.
- Demonstrated cloud computing concepts through data visualization.

Live Weather Data for Farming Recommendation (Data Visualization Project)

- Created an interactive **Tableau dashboard** to visualize live weather data.
- Supported data-driven farming and crop planning decisions.

AI Nutritionist App (GenAI Project)

- Built an AI-based nutritionist application using **LLM techniques**.
- Generated personalized diet recommendations based on user inputs.

Experience

EHS Intern – Biocon Limited, Bangalore

June 2025 – July 2025

- Completed a one-month internship in the **Environment, Health, and Safety (EHS)** department.
- Gained hands-on exposure to workplace safety, environmental compliance, and health standards.
- Assisted in EHS documentation, safety audits, and compliance activities.

Intern – Diya Foundation, Bangalore

April 2022 – June 2022

- Organized and facilitated educational workshops for underprivileged students.

- Developed teamwork, communication, and event management skills.

Karate Instructor

- Earned 1st Dan Black Belt in Karate.
- Instructed students in martial arts and self-defense techniques.
- Led self-defense workshops and assisted in organizing tournaments.

Education

Bachelor of Computer Applications (BCA 3rd year) – Data Science

Chanakya University, Devanahalli

Expected June 2026

GPA: 7.75 / 10

Minor: Environmental Science

Pre-University Course (PCMB)

CMR PU College, ITPL

March 2023

Percentage: 85%

10th IGCSE

NBIRS, Mandur

March 2021

Percentage: 89%

Certifications

- Environmental Science – NPTEL (2024)
- Environmental Engineering – NPTEL (2024)
- Basics of R Programming
- Workshop on Basics of Tableau (2023)
- Introduction to Environmental Engineering & Science (2025)
- Winter Internship Technical Training Program – India Space Lab (2026)
Training modules included Advanced Drone Technology, CanSat & CubeSat Programs, Rocketry Science, Remote Sensing & GIS, and Disaster Management (gained basic understanding of these domains).

Leadership & Activities

- NSS Volunteer – Actively involved in community outreach initiatives.
- Participated in a 7-day National Integration Camp (NIC) focused on leadership and teamwork.
